Tim Swadley
Mayor-City of Stoughton
207 S. Forrest St.
Stoughton WI 53589

Mayor Swadley,

I am contacting you regarding the City of Stoughton's proposed water park and dam modification project. As I believe you are aware, the Pleasant Springs Town Board has determined it is in the public interest to engage an engineering firm to provide an independent review of the proposed project and impacts including evaluation of the combined impact of the County dredging project.

We respectfully request that you authorize your project consultants (Recreational Engineering & Planning in Colorado) to speak with Steve Gaffield and other staff members of EOR, Inc, the engineering firm the Town has hired to perform this review.

Regards,

David Pfeiffer, Town Chair
Pleasant Springs Town Board
