

# PLEASANT SPRINGS TIMES

Check <https://pleasantsprings.org/> for up-to-date information.

Remarks from the Chair... By Dick Green

As I write these comments snow is falling, public works employees are out spreading sand/salt on our roads. Winter has begun in Pleasant Springs. If you have questions/concerns about town road conditions, please call public works, 608-205-9169.

First, I would ask you to view the 2024 budget summary page included in this newsletter. You will find a 1.6% increase in the property tax, a decrease in expenditures of 6.6%, and a proposed \$.16 per \$1,000 decrease in the mill rate. Keeping us from further reductions is the continued rising cost of road repairs and maintenance.

We will continue to reconstruct our roads in 2024. We plan to complete Skaalen Rd. from County N to Pleasant Hill Rd. and our town portion of Schadel Rd. This will require borrowing monies from the State Trust Fund and use of our annual ATC payment. I encourage you to contact our state senate and assembly representatives to ask for more rural road aid for towns.

If you have used our brush/yard waste site, expect some changes next spring. This summer and fall the site was open 7am-5pm, 7 days per week. Cameras were installed but we do not have an attendant. **The site is for Pleasant Springs residents only.** I spent 4-5 hours per week monitoring the site (7% of the time it was open) and turned away 24 non-residents in that time. If you do the math that means we potentially had over 300 visits by non-residents. The issue is the brush from non-residents and the cost to you to chip the brush. Each time we contract for a tub grinder we spend \$2,000. We will close the site December 1<sup>st</sup>, and reopen in April. Changes will include it not being open 7 days/week and an annual fee and sticker requirement. Days and hours will be posted on the town website and on the sign at the site.

This fall the tennis court at Quam Park was re-paved and a new basketball set was installed. The court will be sealed and striped in the spring to be ready for tennis and pickleball. Be aware that the speed limit near all parks is 15 mph.

The Town Board recently adopted an ordinance to prohibit the use of "Jake" Brakes along County Highway N. Residents requested this change due to the noise in the subdivision near I-90 and the intersection of County Highway B/Skaalen Road. Signs will be posted along County Highway N.

The County project to dredge the part of the Yahara River that runs through Pleasant Springs has been completed. Thank you to nearby residents for your tolerance of the noise. The County is also installing a bike path near Fairview St. and through Kegonsa State Park. If you frequently use County MN, expect a detour in 2025 when the bridge over Door Creek is replaced.

As your town chair expect me to respond to your questions/concerns within 24 hours. Our town employees are here to assist you.

I wish all of you a safe and healthy winter.

---

**The following is a summary of the 2024 Budget:**

<u>GENERAL FUND</u>	<u>2023 BUDGET</u>	<u>2024 BUDGET</u>	<u>% CHANGE</u>
<b>REVENUES</b>

## Town Meetings

### **The Town Board Meets every 1st and 3rd Tuesday of every month at 6:00 P.M.**

There are additional meetings during budget preparation time and certain times when a special meeting must be held. The Board's primary function is to provide legislation, policy and decision making for the Township, as well as set the annual budget and determine the yearly tax levy.

Town Residents are encouraged to attend Town Board Meetings regularly to keep up on the events and happenings of the Town.

Meeting agendas are posted to the town's website at: [www.pleasantsprings.org](http://www.pleasantsprings.org), under the Town Board and Meetings page, and also on the posting board outside of the Town Hall. If you are interested in placing an item on the agenda for consideration, please contact the Town Clerk/Treasurer's office at (608) 873-3063, or via email at [clerktreasurer@pleasantsprings.org](mailto:clerktreasurer@pleasantsprings.org).

The Plan Commission meets the second Wednesday of the month at 6:30. Plan Commission agendas are also posted to the town's website and on the posting board outside of the Town Hall.

---

## **Badger Books – Electronic Poll Books**

The Town of Pleasant Springs will start using Badger Books for the 2024 Elections.

What is a Badger Book? It is an electronic poll book. They will be used to check in voters, print tally slips, enter registrations, and record absentee voters.

These electronic poll books will work the same as paper poll books. For instance, just as a voter would sign the paper poll book to get a tally slip in order to get a ballot, the voter will sign the Badger Book. The election inspector will still look up the voters' names in the poll book, voters will still sign the poll book, and voters will still get a tally slip (voter number). The only difference is that all of this will be done electronically using the Badger Books.

The actual process of voting will not change at all. Voters will still vote on paper ballots and will still place ballots in the tabulator. The tabulator is not connected to the Badger books in any way.

The Badger Books are not connected to the internet or to any other outside source. They are connected only to each other by a private network within the polling place.

### **BADGER BOOK RECAP:**

#### **WHAT THEY ARE:**

- They are poll books. They check in voters and produce a voter number on a slip of paper for each voter.
- They are also used to register voters, and to process absentee ballots.
- When voters check in, they will give their names and addresses to the election inspectors, just as they have in the past. The only difference will be that the inspectors will be looking up voter names electronically, rather than in paper poll books. Voters' signatures will still be required, but voters will sign their names on an electronic screen using their fingers or a stylus, rather than in the paper poll book.

#### **WHAT THEY ARE NOT:**

- They are not voting machines – you can't cast votes on them. Voting will continue to be done on paper ballots.
- They are not vote tabulators – they don't count votes. The vote tabulation process will not change.

### *Badger books continued-*

- They are not connected to the internet or any other outside source. They are connected to a server through a router within each polling place that allows the books to talk to each other. They communicate only with each other.

### WHY THE SWITCH?

- Less wait time for voters – a voter can check in to vote at any Badger Book station.
- Improved processes for poll workers
- Less staff time required to prep for the election and to reconcile election data.
- Voter participation statistics available at <https://myvote.wi.gov/en-us/> faster.
- Long term cost savings (staff time, poll worker costs).

**We ask that you have patience on election day at the polling place as our Election Inspectors and voters get comfortable with the implementation of the Badger Books.**

You can find a short video about Badger Books by going to <https://pleasantsprings.org/voting/>.

---

## **Town Boat Landing News**

Soon ice fishing season will be here. Our boat landing is available for parking. Residents must have a town sticker displayed in the windshield. Non-residents (or residents without a sticker) must either pay the daily fee (\$5.00) and display the receipt on the dash or obtain a nonresident annual sticker (\$25.00) at the town hall. The landing is monitored by town board members. The citation for violators is \$5.00 plus \$10.00 for a total of \$15.00 each day. We plow the pavement and will clear snow on the grass west of the paved lot for extra parking. Parking on Williams Pt. Drive is not permitted. Please Park to maximize space for others. Monies received from this landing can only be used for landing improvements.

---

## **Parks Committee Membership**

Faith Schuck – Town of Pleasant Springs Liaison

We have a total of six parks in Pleasant Springs Township. The Parks Committee meets to discuss maintenance of each park, as well as proposes future park equipment. The plan is to meet three to four times a year rotating the meetings at the parks. The next meeting will be March/April depending on the weather.

If interested in serving on the parks committee, please submit a letter of interest to the Town Clerk either by mail or email.

---

2024 Waste and Recycling calendars are available on the Towns website, and a copy is also available at the Town Hall. The town adds notifications of weather-related and holiday delays to the town website announcements when possible.

### **A reminder from Pellitteri-**

During or after inclement winter weather, please remember to keep your trash and recycling carts accessible by clearing the area of snow and ice to ensure service. If you do not place your carts in your driveway, then you may need to shovel out an area on your property for the carts. They should be within two feet of the street (but not in the street) and approximately four feet away from obstructions such as mailboxes, trees, and cars. Please do not place your carts on top of snow piles or in the street.

If you would like to receive information regarding service delays due to holidays or weather related conditions via e-mail, please email [info@pellitteri.com](mailto:info@pellitteri.com) to sign up (please include your address and/or municipality) or call [608-257-4285](tel:608-257-4285).

#### Holiday Trash and Recycling Info:

During a week that has a Holiday, garbage and recycling pick up is delayed by one day. Please plan accordingly.

---

## Pellitteri Customer Recycling Options

A Wisconsin statute requires haulers to notify their customers of the mandatory recycling laws that pertain to all business and residential units in Wisconsin.

We've made it easy for you to recycle some of these items with our All-In-One Recycling, including newspapers, magazines, office paper, glass bottles and jars, plastics cups, paper cups and containers #1-7, aluminum and steel containers, and more! Please see our [full list of acceptable recyclables](#), a [recycling video](#) of the sorting process, and our short [recycling tip videos](#). You can also like our [Facebook](#) page to keep up to date as more options become available.

If you are not currently recycling these items, please give us a call at (608) 257-4285. Increased recycling efforts on your part can aid in reducing overall waste removal expenses.

The following items are required to be recycled, but cannot be placed in your dumpsters: appliances, brush and yard waste, electronics, lead acid batteries, and tires. Please contact us for alternative disposal options.

Sincerely,  
Pellitteri Waste Systems

---

# Do Not Put Lithium-Ion Batteries in Your Trash or Recycling Containers

**Batteries that are considered hazardous waste must be managed by your business as hazardous waste.**

Lithium-ion batteries are considered fire hazards; they can ignite and start fires, even when they are no longer useful in consumer products. As such, they are regulated as hazardous waste by the U.S. Department of Transportation and Environmental Protection Agency.

**Consumers and businesses are prohibited from placing lithium-ion batteries in their trash and recycling containers**, and waste haulers are prohibited from transporting them. In Wisconsin, batteries generated by businesses must be managed as hazardous waste. Visit the links below for instructions on how to handle batteries.

- [How To Handle Hazardous Waste – Batteries](#)
- [Battery Recycling for Businesses](#)
- To find a battery recycler, go to the [Wisconsin Recycling Markets Directory](#)

Remember, lithium-ion batteries come in all shapes and sizes (coin cell, cylindrical, rectangular, pouch packs) and can be single-use or rechargeable. If you need to charge it...it has a battery. Some devices containing lithium-ion batteries include laptops, tablets, cellphones, power tools, battery packs, vape products, cordless telephones, scooters, watches, hearing aids, cameras, remote control toys, and electric toothbrushes.

## Clean Sweep Wisconsin

Dane County offers a place to bring hazardous household materials such as TV's, paints, poisons, oil, and rechargeable batteries.

They are located at 7020 Maahic Way, Madison, WI 53718  
Across from Yahara Hills Golf Course

Landfill Phone: (608) 838-9555  
Clean Sweep Phone: (608) 838-3212

Open Year Round

Monday - Friday: 7:00 a.m. - 2:45 p.m. Saturday: 8:00 a.m. - 10:45 a.m.

Closed Sundays and Holidays

For more information visit: [Clean Sweep | Dane County Waste & Renewables \(countyofdane.com\)](#)

---

## Animal Services

Public Health Madison & Dane Co. Animal Services assists with a variety of animal-related issues (listed below). Please contact them via the telephone numbers below or visit their website for more information: <https://www.publichealthmdc.com/environmental-health/animals>

### Request Animal Services Officer Dispatch (Urgent)

Call **(608) 255-2345** to have an Animal Services Officer sent to help with:

- Aggressive animals
- Animal bites
- Accumulation of animal feces
- Animals in traffic causing safety concerns
- Investigation of cruelty/neglect
- Rabies quarantines and testing
- Sick or injured animals, either wild or domestic
- Stray animals or domestic animals running at large

*Animal Services Does NOT Respond to:*

- Barking dogs. Please call your local law enforcement.
  - Dane County Sheriff: **(608) 266-9122**
- Nuisance wild animals. Please call a Private Pest Control Service.

*Animal services article continued-*

### Call Animal Services Office (Non-Urgent)

Call **(608) 267-1989** (Animal Services Office) for:

- Information about animal care and health
- Education about staying safe around animals and preventing rabies
- Non-urgent complaints
- General information

---

## ATV Usage

**Please note that ATV operation is currently NOT allowed on Town roads.** ATVs may be operated on the operator's private property, designated trails, or in the public right-of-way, *as needed, to cross roads, bridges, culverts, railroad tracks, etc.* ATVs are not approved for operation on Town roads, nor should they be operated in Town parks.

---

### **\*\*\*2024 Assessment Begins\*\*\***

Accurate Appraisal staff will be doing visits on those properties that have been recently purchased or acquired a building permit during 2023. The purpose of the walk through is to obtain a proper listing of the rooms and to gather other essential data or to check the completion of the building permit that was issued. Letters of notification will be sent to those property owners.

**After** property owners receive a letter from Accurate Appraisal, they can make an appointment by phone at **1-800-770-3927** or by logging on the accurate appraisal's website at: [www.accurateassessor.com](http://www.accurateassessor.com) Please make sure when you are scheduling an appointment you go all the way through the steps provided by Accurate Appraisal.

If you do not receive a letter from Accurate Appraisal, you do not need to make an appointment. *If you are having trouble scheduling an appointment with Accurate Appraisal, please contact office staff at 608-873-3063 and they can help you through the process.*

---

### **A message from UpNetWI regarding fiber optic service to Pleasant Springs:**

We are excited to announce that UpNetWI has more fiber infrastructure to serve more residences in Pleasant Springs. They have built into the Squire Lane and Bell View neighborhoods while passing houses on the way. They also have wireless internet service available for those who aren't covered by their fiber network. For specific information regarding coverage, pricing, or other inquiries, please visit their website at [www.upnetwi.com](http://www.upnetwi.com) or contact (608)-234-5980, email: [customerservice@upnetwi.com](mailto:customerservice@upnetwi.com).

---

### **Use Courtesy, Please**

Taking your dog for a walk in the park or alongside the road? Please remember that the law states that it is the responsibility of dog owners to pick up after their pets, per local ordinance chapter 160-1(Q) and 160-7 (ref. Chapter 55-1). Violations may result in penalties issued according to Municipal Code Chapter 1. Dog waste should be disposed of properly and not thrown in a waterbody or other public areas.

---

### **HOLIDAY TREE DISPOSAL**

Public Works employees will again go around and pick up your trees. Please have your trees out to the road right of way (ROW) in front of your home. **The last day for tree pickup is Friday, January 12, 2024.** You must contact the public works department at (608) 205-9169 so they can add you to the pick-up route. Please make sure to leave your name and address. Please make sure all the decorations and lights have been removed.

---

**REMINDER:** All dogs must be licensed by March 31st of each year to avoid the \$10 per dog late penalty. All property owners will receive the dog license application with their tax bills. **If you mail your dog license application in with your tax bill, you must include a separate check for the dog license and a self-addressed stamped envelope for us to return the original vaccination certificate and the 2024 tag.**

---

The office can process dog licenses after January 31, 2024 or sooner as time allows. Please make sure to include a valid copy of your dog's vaccination certificate, and a self-addressed stamped envelope. Thank you.

---

## **TAX SEASON INFORMATION**

**Tax bills will be mailed by December 18, 2023.**  
**The statutory deadline to mail tax bills is the third Monday in December.** Payments for real estate and personal property tax are due to the Town of Pleasant Springs by January 31, 2024. You must pay at least the first installment of real estate taxes by that date to avoid delinquency. If you choose to pay only the first installment, the second installment is due on July 31, 2024. All personal property tax payments are due in full and may not be divided into payments.

**All payments made after January 31, 2024 must be made to the Dane County Treasurer. You may mail the payment, or pay in person at the Dane County Treasurer's office. Please refer to the tax bill for the correct mailing address.**

Need your tax receipt? Lost your tax bill and want to obtain another copy? Visit Access Dane for a variety of property information:

<https://accessdane.countyofdane.com>

### **TOWN HALL CLOSINGS:**

**Monday, Dec. 25, 2023**

**Monday, Jan 1, 2024**

**You may mail tax payments, pay in person, or drop them in the drop box that is located in the front entryway. Please allow ample time when mailing payments.**

**The Town DOES NOT accept postdated checks. All postdated checks will be returned to the property owner. Please add a contact # (phone #) if we need to contact you for any reason regarding your payment.**

We strongly urge you not to wait until the last day to make or mail your payment. If your check is incorrect and must be returned to you for any reason, you risk having a delinquent payment

because the check was not returned to the Treasurer, or postmarked, on or before the due date.

---

### **Mill Rate Projected Comparisons Cost per \$1000 of valuation**

\$1.30-Town of Pleasant Springs  
\$2.10- Town of Rutland  
\$2.15-Town of Dunn  
\$2.87-Town of Cottage Grove  
\$2.39 Town of Oregon

### **TOWN BOARD CAUCUS INFORMATION:**

The Town Board will hold its Caucus in January 2024, (usually on or prior to the third Tuesday in January) Please check the website or call the clerk's office for the meeting date and time. At the Town Caucus, nominations for offices are taken from the floor from Town residents, each nomination must receive a second. **Those who wish to be placed on the ballot should attend this meeting for nominations.**

#### **The following offices are open this year:**

<u>Office</u>	<u>Incumbent</u>
Town Board Supervisor Seat 3	Larry Schuller
Town Board Supervisor Seat 4	Melanie Miller

All terms are for two years, beginning Tuesday, April 16, 2024.

**If you are a resident of the Town of Pleasant Springs, and interested in running for office, please contact the clerk's office at (608) 873-3063, or email: [clerktreasurer@pleasantsprings.org](mailto:clerktreasurer@pleasantsprings.org). Or the Wisconsin Elections Commission at: (608) 266-8005, email: [elections@wi.gov](mailto:elections@wi.gov)**

#### **2024 Election Dates:**

**February 20, 2024** - Spring Primary Election (if needed)

**April 2, 2024** - Spring & Presidential Preference Election

**August 13, 2024** - Partisan Primary Election

**November 5, 2024** - General Election

---

## Free Home Energy Assessment Tool by *Focus on Energy*

Focus on Energy is a statewide program dedicated to connecting valuable energy resources in cost-effective strategies and energy efficiency to residents and businesses in Wisconsin. Projects such as rooftop solar installations, furnace and boiler replacements, insulation, HVAC, and other energy saving solutions. For more *Focus on energy article continued-*

information on how you can find ways to make your home more energy efficient, check out their easy-to-use tool at [www.focusonenergy.com/home-assessment](http://www.focusonenergy.com/home-assessment). In just a few minutes, you can discover energy-efficiency savings for your home and rebates offered to cut energy waste and save money.

---

### What Happened to my mailbox?

Occasionally during the winter season, a snowplow blade will damage a mailbox or mailbox post. The Town will compensate the owner of a mailbox damaged by the impact of a town snowplow blade. The Town has no responsibility for damage resulting from the impact of snow pushed against a mailbox. Please leave a message at 608-205-9169, and a staff member will investigate and determine whether repair, replacement, or reimbursement is appropriate. Reimbursement is limited to a reasonably comparable mailbox and will not exceed \$25.00. No special allowance is made for decorative, unusual, or ornamental mailboxes or posts. *The Town Board may make an exception at their determination depending upon the circumstance.*

The Town is not responsible for installation, or reimbursement of installation costs, and reserves the right to repair the box in lieu of paying for a replacement.

---

### Weather Parking Emergencies

Effective July 25, 2008, an ordinance was passed that allows the Town Chairperson, or their designee, to declare a weather emergency whenever three inches of snow has fallen, or as conditions warrant. **During such an emergency, nothing may be parked or placed in the road right-of-way.** This restriction remains in effect for three consecutive 24-hour periods, unless the emergency is cancelled or extended. Notice of these weather emergencies will be given to the same Madison news outlets used by the Stoughton Area School District for school closings, and local cable television.

---

### Gravel Road Snow Plow Policy

When it snows, all paved town roads are cleared prior to the gravel roads. Additionally, gravel roads are only plowed when the snow fall is greater than 3 inches. The Town has approximately 69.46 miles of roads to plow, which takes roughly 7 hours to plow driving lanes on the paved roads. Please be patient.

---

### Safety Reminders!!

\*When out and about this winter, please **stay back AT LEAST 300 feet from plows on the road, do not attempt to pass a plow truck, and stay back at intersections to allow plow trucks to turn around and continue plowing.** If you have any questions or concerns about snow plowing or sanding, please contact the Public Works Department at 608-205-9169.

\*In an effort to help with snow removal, please remove your trash totes promptly after your trash has been picked up. Totes that sit by the curb for days prevent Public Works from clearing roads in a timely manner, and

*Safety Reminders continued-*

are also in violation of Town ordinances. Vehicles and other equipment routinely parked in the road right of way also pose a safety hazard and are a violation of Town ordinance.

\*Residents are discouraged from pushing snow across the road. In an effort to remove snow from their own property, Public Works has observed residents pushing snow across the road ways in the Town. Often times this causes a buildup of snow on the road way that can create a hazardous situation for cars. Help keep Town roads safe and clear this winter.

---

## News You Can Use: Be Salt Wise This Winter

Salt that has been applied to roads and sidewalks over the course of the winter ultimately ends up in our local lakes, streams, and drinking water. Road salt has been used as a de-icer since the 1950s, and as a result, chloride concentrations from salt in our lakes have steadily increased with harmful effects to aquatic life and our drinking water. It only takes one teaspoon of road salt to permanently pollute 5 gallons of water.

Starting at home, you can reduce the amount of salt that is used in the winter and still keep your sidewalks and driveways safe. The Wisconsin Salt Wise Partnership offers the following tips and a wealth of other information on ways individuals and our community can work together to reduce salt use.

- **Shovel:** Clear walkways and other areas before the snow turns to ice. The more snow you remove manually, the less salt you will have to use and the more effective it will be.
- **Scatter:** If you use salt, scatter it so there is space between the grains. One twelve-ounce container (like a coffee cup) is sufficient to salt sixty to seventy feet of sidewalk, or about 10 sidewalk squares.
- **Switch:** When pavement temperatures drop below 15 degrees, salt won't work. Switch to sand for traction or a different ice melter that works at lower temperatures.
- **Select a Certified Contractor:** Check to see if your contractor is already certified through the **Winter Salt Certification Program**. If not, encourage them to become certified and to follow appropriate **application rates**.

By working together, we can reduce salt and protect our environment.

For more information go to: <https://www.wisaltwise.com/> or for questions email: [wisaltwise@gmail.com](mailto:wisaltwise@gmail.com).

---

### **YARD WASTE SITE CLOSURE**

The Town of Pleasant Springs Yard Waste Site will close December 1st, 2023 and re-open on April 4th, 2024.

---

### **BURNING OF LEAVES & BRUSH**

The Town has a waste site located behind the town hall. The Town has had several complaints regarding burning from several neighborhood areas. Please remember if you are in close proximity to your neighbors, the smoke from burning may be very disturbing and irritating to people with allergies and health related issues. Also, remember fires must be attended at all times and must be extinguished at sun down. Please take this into consideration. This may be deemed as a nuisance and local officials may intervene.

---

Town of Pleasant Springs  
2354 County Rd N  
Stoughton WI 53589-2873

Winter 2023/2024
