

# *PLEASANT SPRINGS TIMES*

**Spring/Summer 2024**

## **COMMENTS FROM THE CHAIR....by Richard “Dick” Green**

I hope you all enjoyed the mild winter. We did have one serious snowstorm but otherwise it was an easy winter with barely any frost in the ground.

In 2023 we were able to reduce town expenses by \$ 375,620. We continue to look for ways to operate frugally. This becomes more challenging each year. Our costs for fire and EMS protection have risen dramatically as does the costs for road reconstruction.

The brush/yard waste site is open with some changes. You must purchase an annual sticker (\$10.00) for 2024 (yellow) and display it on your windshield. Stickers can be purchased in the town office Monday through Thursday from 8am-4pm. The site is open Thursday, Saturday, and Sunday 9am-7pm. Clean brush 3 inches diameter maximum is allowed. The site is for town residents only and is camera monitored.

Some of you have called about the green boxes installed in the road right-of-way. These were installed by Charter-Spectrum for fiber optics. The town has no control over utility installations. The public utilities commission of Wisconsin approves the plans and the town board receives no notice.

This spring we stopped Pellitteri’s trucks from traveling down some of our gravel roads. This was done to stop the damage to the road from 70,000-pound garbage trucks weekly driving the roads. We have 34 gravel dead-end roads in the town. Some residents brought to our attention that, in the past, 60 ft. radius turnarounds were dedicated to the public on their road. After extensive research, this dedication began in 1974 as a requirement of Dane County for splitting off a parcel on dead-end roads. 15 of our gravel roads have these dedications. Most of the time the town board did nothing about construction of turnarounds, most likely due to the cost. Back then we did not have curbside pickup as we just had a town dump for resident’s use. Quotes to construct turnarounds at Torke Ct. (\$16,000) and Erdahl Dr. (\$74,000) result in the town board not planning to build at this time. Estimates to complete all 15 turnarounds exceeds 1 million dollars.

We have over 69 miles of paved roads in our town, far more miles than any of the surrounding townships. We borrow from the State Trust Fund each year to attempt to keep up with repairs and reconstruction. This summer we will finish reconstruction of Skaalen Rd. and Schadel Rd. We will also use the federal ARPA monies to sealcoat as many of our roads as possible to maintain those roads. This federal money is a one-time event.

As promised when you elected me town chair, I will respond to your questions/concerns within 24 hours. My goal is to keep expenditures within the budget while maintaining roads, infrastructure, parks, and our rural character in Pleasant Springs.

In the next few months, I hope all of you find time to enjoy summer in Wisconsin.

## COMINGS AND GOINGS:

Please welcome new Town Board member Renee Gouaux

Please welcome Danielle Wenker as the Deputy Clerk/Treasurer.

Thank you to Larry Schuller for serving on the Town Board.

## HOW ARE YOUR ASSESSMENT AND PROPERTY TAXES CALCULATED?

A Guide for Property Owners is available on the Wisconsin Department of Revenue's website at: <https://www.revenue.wi.gov/DOR%20Publications/pb060.pdf>. This publication discusses in detail the process from the assessment cycle to how property taxes are calculated. Here is a quick look at the difference between an assessment and an appraisal:

## Assessments

vs.

## Appraisals

Assessments are determined based on sales within the taxing district, in the town, village, or city.

Assessors use previous years sales data.

Assessors compare annual market sales year-over-year.

Assessors set values based on the entire community to determine the values of all properties on a mass scale.

Assessments are regulated by the state of WI. The Department of Revenue requires each municipality to maintain assessments within 10% of market value.

Appraisals use comparable sales from similar properties usually going outside of the taxing district.

Appraisers use sales from past years as well as current year sales.

Appraisers use current market sales, month-to-month or day-to-day.

Appraiser hand pick comparable sales to help them determine the value of 1 property. Usually use 3 to 6 comparables.

Assessors are not regulated by the state of WI. Their values are used to help determine values to obtain loans, get values for a settlement, or get a line of credit.

### DOG LICENSES

If you have not licensed your dog by March 31<sup>st</sup>, a late fee of \$10.00 must be added to the normal license fee. Please remember that all dogs over the age of five months must be licensed each year, and fines for dogs running at large range between \$100 and \$400.

---

### USE COURTESY, PLEASE

Taking your dog for a walk in the park? Please remember that it is the law that dog owners pick up after their pets per local ordinance chapter 160-1(Q) and 160-7 (ref. Chapter 55-1). Violations shall be deemed a public nuisance. Penalties may be issued according to Municipal Code Chapter 1. Dog waste should be disposed of properly and not thrown in a waterbody or other public areas.

---

### SPECTRUM/CHARTER UTILITIES

We are aware Spectrum is burying fiber optics and putting in utility pedestals in residential areas around the Town. The construction company's restoration crew is required to come back to restore areas that they disrupted. Please be patient as they have many areas to restore weather permitting.

For more information and any questions, please contact their customer service at (888)-369-2408 or the construction coordinator, Kirk Upperman at [kirk.upperman@charter.com](mailto:kirk.upperman@charter.com).

---

## EASEMENTS

**Please be aware that activity within public easements may be restricted.** Residents should be mindful of any public easement on their property. Activities within a public easement may be restricted and the cost of removing private property placed in a public easement may be charged to the property owner. Please contact the easement holder before installing or making modifications to property located within a public easement.

## TOWN OF PLEASANT SPRINGS BOAT LAUNCH

The first sticker is free of charge. A replacement sticker or additional sticker is \$10.00. If you sell your vehicle or replace your windshield, if you can peel off the previous sticker or at least a portion of it and bring to the Town Hall, you will be issued another sticker free of charge, otherwise, it's \$10.00. **Please note, the Boat Launch sticker can no longer be used as the Yard Waste sticker. You will need to purchase a separate Yard Waste sticker.**

The Boat Launch is located at 2267 Williams Point Drive. You will need to have your sticker on your vehicle windshield to utilize the Boat Launch, otherwise, if you don't have a sticker, there are daily permits located at the Boat Launch for a \$5.00 daily permit fee. The Boat Launch is monitored frequently, so please make sure you have your sticker placed on your windshield or a daily permit, otherwise you may most likely get a citation.

**\*\*\*Please note we can only accept exact cash or check payments. Sorry for any inconvenience.**

---

## TOWN OF PLEASANT SPRINGS YARD WASTE SITE

Property Owners within the Town of Pleasant Springs may purchase a \$10 annual sticker to utilize the Yard Waste Site. A new sticker must be purchased each year. **Please note, the Boat Launch sticker can no longer be used as the Yard Waste sticker.** You will need to purchase a separate Yard Waste sticker (pictured on the right). The Yard Waste Site will be open Thursdays, Saturdays, and Sundays from 9:00AM –

7:00PM. **You must have a sticker to use the Yard Waste Site, and you must be a resident!!** The Yard waste site is located behind the Town Hall at 2354 County Hwy N., Stoughton WI. Cameras have been installed at the site to help monitor the hours and usage of the Yard Waste Site, to include vehicles without the sticker located on their windshield.

**\*\*\*Please note we can only accept exact cash or check payments. Sorry for any inconvenience.**

**\*\*BRUSH IS LIMITED TO 3" DIAMETER!!**

**\*\*NO CONTRACTOR DUMPING!!**

If yard waste is brought to the site in bags or containers of any type, please take those with you and do not leave them at the site.

### MOVE OVER AND SLOW DOWN...Road Construction Work Zone Safety Tips

- **Pay Attention.** Construction Zones contain many hazards such as uneven pavement, narrow lanes, heavy equipment, and loose gravel. Signs and construction zone flaggers save lives.
- **Slow down, even if you don't see anyone working.** Physical hazards such as traffic shifts or lane reductions may be present. Also, most crashes in the summer months are related to excessive speeds.
- **Stay Alert.** Dedicate your full attention to the roadway.
- **Watch for signs.** Remember, workers are just inches away from traffic.
- **Don't Tailgate!**
- **Expect the Unexpected.** Keep an eye out for workers and their equipment.
- **Be Patient.** Remember the construction zone crew members are working to improve your future ride.

**Remember** that construction zone crew members are someone's Mom, Dad, Grandma, Grandpa, Brother or Sister. Use caution and slow down. **In Work Zones, Drive Like You Work Here.**

## 2024 REMAINING ELECTION DATES

**August 13, 2024** – Partisan Primary Election

**November 5, 2024** – General Election

Please visit [www.myvote.wi.gov](http://www.myvote.wi.gov) to register to vote online or request an absentee ballot.

We would like to give out a huge Thank You, to all the Election Inspectors serving the Town of Pleasant Springs. You are all very dedicated and appreciated!

## FIREWORKS ORDINANCE

The town would like to take the opportunity to remind residents of Chapter 103 of the Town of Pleasant Springs Ordinances relating to Fireworks. The use of fireworks, as defined in section 167.10(1) of the Wisconsin States Statutes, will require a Fireworks use permit.

Residents wishing to hold a fireworks display should stop by the Town Hall to obtain a firework's use permit application.

A copy of the complete ordinance is available on the Town of Pleasant Springs website – [www.pleasant Springs.org](http://www.pleasant Springs.org).

---

## ATV USAGE

**Please note that ATV operation is NOT allowed on Town roads per Chapter 202 Article III Sec.202.II, of the Towns Municipal Code.** ATVs may be operated on the operator's private property, designated trails, or in the public right-of-way, as needed, to cross roads, bridges, culverts, railroad tracks, etc. ATVs are not approved for operation on Town roads, nor should they be operated in Town parks.

## A reminder from Pellitteri-

During or after inclement winter weather, please remember to keep your trash and recycling carts accessible by clearing the area of snow and ice to ensure service. If you do not place your carts in your driveway, then you may need to shovel out an area on your property for the carts. They should be within two feet of the street (but not in the street) and approximately four feet away from obstructions such as mailboxes, trees, and cars. Please do not place your carts on top of snow piles or in the street.

If you would like to receive information regarding service delays due to holidays or weather related conditions via e-mail, please email [info@pellitteri.com](mailto:info@pellitteri.com) to sign up (please include your address and/or municipality) or call [608-257-4285](tel:608-257-4285).

Holiday Trash and Recycling Info:

During a week that has a Holiday, garbage and recycling pick up is delayed by one day. Please plan accordingly.

---

## Pellitteri Customer Recycling Options

A Wisconsin statute requires haulers to notify their customers of the mandatory recycling laws that pertain to all business and residential units in Wisconsin.

We've made it easy for you to recycle some of these items with our All-In-One Recycling, including newspapers, magazines, office paper, glass bottles and jars, plastics cups, paper cups and containers #1-7, aluminum and steel containers, and more! Please see our [full list of acceptable recyclables](#), a [recycling video](#) of the sorting process, and our short [recycling tip videos](#). You can also like our [Facebook](#) page to keep up to date as more options become available.

If you are not currently recycling these items, please give us a call at (608) 257-4285. Increased recycling efforts on your part can aid in reducing overall waste removal expenses.

The following items are required to be recycled, but cannot be placed in your dumpsters: appliances, brush and yard waste, electronics, lead acid batteries, and tires. Please contact us for alternative disposal options.

Sincerely,  
Pellitteri Waste Systems

## Do Not Put Lithium-Ion Batteries in Your Trash or Recycling Containers

**Batteries that are considered hazardous waste must be managed by your business as hazardous waste.**

Lithium-ion batteries are considered fire hazards; they can ignite and start fires, even when they are no longer useful in consumer products. As such, they are regulated as hazardous waste by the U.S. Department of Transportation and Environmental Protection Agency.

**Consumers and businesses are prohibited from placing lithium-ion batteries in their trash and recycling containers,** and waste haulers are prohibited from transporting them. In Wisconsin, batteries generated by businesses must be managed as hazardous waste. Visit the links below for instructions on how to handle batteries.

- [How To Handle Hazardous Waste – Batteries](#)
- [Battery Recycling for Businesses](#)
- To find a battery recycler, go to the [Wisconsin Recycling Markets Directory](#)

Remember, lithium-ion batteries come in all shapes and sizes (coin cell, cylindrical, rectangular, pouch packs) and can be single-use or rechargeable. If you need to charge it...it has a battery. Some devices containing lithium-ion batteries include laptops, tablets, cellphones, power tools, battery packs, vape products, cordless telephones, scooters, watches, hearing aids, cameras, remote control toys, and electric toothbrushes.

## BUILDING PERMIT INFORMATION

Spring is in the air, and that typically means many residents will be starting construction projects for home improvements, renovations, etc.

**To obtain a building permit,  
please contact the Building  
Inspector at:  
(608) 445-9715**

For questions about projects that may or may not require permits, to schedule an inspection, or for more information such as pre-construction, please contact the Town's Building Inspector, Steve Kittelson.

A building permit must be obtained from the Town Building Inspector prior to commencing any of the following work:

- (1) All new buildings-construction including, but not limited to, residential dwellings, garages, agricultural buildings, and sheds over 120 square feet in area.
- (2) All building additions that increase the physical dimensions of an existing building, including, but not limited to, decks, porches and garages.
- (3) All alterations to the interior and/or exterior structure of an existing building including, but not limited to, kitchen remodeling, bath remodeling, remodeling an attic and/or basement for living space, window replacement, changes in exterior finish such as brick façade, clapboard or vinyl siding, and roof replacement and repair. No more than three layers of roofing shall be installed on any roof.
- (4) All alterations to the heating, electrical or plumbing systems of an existing structure.
- (5) Replacement of major building equipment, including furnaces and air conditioners. Water heater replacement shall require a permit if the plumbing, venting, electrical or gas supply system is altered.
- (6) Demolition of all existing structures. This includes all agricultural structures, such as silos, chicken houses, tobacco sheds, etc.

A **building permit application** can be found on our website at:  
<http://pleasantsprings.org/buildingpermits.html>

More information can also be found in the Building Construction town ordinance (Chapter 70), which can be found on our website at <http://pleasantsprings.org/ordinance.html>

*\*Note: If a project requires a driveway access damage deposit and permit, NO BUILDING PERMIT WILL BE ISSUED until the proper damage deposit permit has been issued.*

---

**DAMAGE DEPOSITS:** Many projects may require obtaining a Driveway Access Damage Permit and deposit prior to issuance of building permits. For questions regarding driveway damage deposit permits, contact the Public Works department at (608) 205-9169.

If your driveway access is contiguous with a town road, a \$1,000 access damage deposit and permit must be obtained prior to commencing any of the following work:

(1) Any construction, demolition, or landscaping that requires material and/or equipment weighing twelve or more tons (24,000 lbs.) including delivery vehicle weight.

(2) All debris dumpsters that weigh and/or require equipment weighing twelve or more tons (24,000 lbs.) including delivery weight. No dumpster shall be placed on public property.

If your landscape/Remodel project requires equipment that weighs less than 24,000 lbs. a permit with a \$50.00 non-refundable deposit is required.

## **FRIENDS OF YAHARA BAY**

Are you aware the City of Stoughton has proposed removing the Fourth Street dam to develop a whitewater rafting park? This may significantly impact water levels and wildlife in the river and bay. Information is posted to the town's website at [www.pleasantssprings.org](http://www.pleasantssprings.org) under Community, click on Yahara Waterway, or see **Friends of Yahara Bay** on **Facebook** for info.

---

## **NOXIOUS AND INVASIVE WEED CONTROL**

In order to prevent the control of noxious and invasive species, state statute requires that every landowner must destroy all noxious weeds on all lands he owns, occupies or controls. The term "noxious weeds" includes Canada thistle, leafy spurge and field bindweed. If a landowner fails to comply, the town can order the weeds destroyed and the landowner is responsible to repay all costs associated with the work. The Town Board appreciates your responsible compliance and cooperation.

The Town also requests residents consider keeping all weeds trimmed and mowed. While state statutes only require those weeds defined as noxious weeds to be destroyed, there are a lot of other weeds that cause great discomfort for residents with allergies. Please consider being a good neighbor and keep your weeds trimmed for the enrichment and well-being of all residents in the Township.

**CRIME PREVENTION, By Leslie Fox, Dane County Sheriff**

The Dane County Sheriff's Office and other local law enforcement agencies are continuing to respond to numerous reports of stolen vehicles, theft from autos, and home burglaries. Most of us have forgotten to lock our car, or accidentally left the garage door open overnight, or even discovered in the morning that the front door was unlocked overnight at least once. You can help prevent yourself from becoming a victim by following the "9:00 p.m. Routine." Law enforcement agencies across the nation are asking people to develop this habit for protecting property from theft, and protecting your home from intruders. This 9:00 p.m. routine can be used any time of the day and includes:

- Check vehicles to insure you've removed all valuables and that doors are locked.
- Walk around inside your home and lock and secure all doors and windows.
- Turn on outside lights.
- Report any suspicious activity immediately.

Theft is a preventable crime of opportunity that can happen in an instant. Taking these simple steps can prevent you from becoming a victim. Also, get to know your neighbors so you know who belongs in your neighborhood and don't be afraid to call 911. To report an incident call non-emergency dispatch at (608) 255-2345 or 911.

**Dane County Sheriff Mental Health Notice**

Law enforcement is being challenged by the growing number of calls for service involving people with mental health needs. It is imperative we recognize when mental illness may be a contributing factor during a call for service so we can respond in a manner as to de-escalate crisis situations.

The Dane County Sheriff's Office has partnered with the Journey Mental Health Center. A Crisis Worker, from Journey, is embedded part time with the Sheriff's Office Field Services Division. The goal of utilizing an embedded mental health worker is to create a better response to mental health related calls and to engage in preventative follow-up work that may reduce repeated law enforcement contacts with the same individuals.

Our mental health crisis worker is available to co-respond to calls for service, conduct consultations via phone, and assist with Emergency Detentions. Additionally, the mental health crisis worker can accompany deputies on proactive home visits to connect mental health consumers to services.

Together, we can problem solve a wide array of mental health issues and work toward curbing incarceration and creating better short-term outcomes for community members.

Happy Spring and Stay Safe!  
Deputy Leslie A. Fox  
Dane County Sheriff's Office  
Southeast Precinct

**DANE COUNTY BROADBAND TASKFORCE INFORMATION**

The 15 member Dane County Broadband Task Force was created in 2021 by the County Board to focus on how to provide broadband access to all of Dane County's residents, particularly those who live in rural areas where broadband access may be lacking or non-existent.

The Task Force aims to create a greater community understanding of Dane County's challenges related to high-speed, reliable and affordable internet access for the County as a whole. They are working to prepare local partners in Dane County to have the background and knowledge (e.g., accurate maps, data on speeds, access, etc.) to apply for various grants and funding to expand access to unserved and underserved areas of the county, and increase awareness of the issues those without reliable internet access face.

The Task Force is collecting data, researching and exploring various funding mechanisms, partnering with stakeholders to identify where broadband access is and is not, exploring alternative solutions, and will make recommendations to the County Board on the role of Dane County in facilitating the expansion of broadband services to residents. The Task Force conducted a survey of rural residents in specific areas to identify homes and neighborhoods in which service is not available, and communities and internet service providers will be able to use this information to be able to apply for grants to expand access to these areas.

**Visit their website for more info:** <https://board.countyofdane.com/initiatives/Broadband-Task-Force>

**They are asking for your help!**

To bolster the effort to create more accurate maps of service coverage and speeds, the Task Force is encouraging members of the public to take 2 minutes to complete the MadREP speed test. The more data that is collected the fuller the picture of broadband access issues in Dane County, that will be utilized by the many organizations and units of government to expand access and provide affordable, reliable service to every resident.

The speed test can be found here: <http://madisonregion.org/industry-and-innovation/broadband/>

Please contact the Task Force at [Dane.Broadband.Task.Force@countyofdane.com](mailto:Dane.Broadband.Task.Force@countyofdane.com) or call 608-266-5758 and let them know of your broadband issues and how it has impacted you.
