

PLEASANT SPRINGS TIMES

Spring/Summer 2025

COMMENTS FROM THE CHAIR....by Richard "Dick" Green

As I write the temperatures continue to drop below freezing overnight. Let's hope for a warmer spring soon. In 2024 the town board adopted an ATV/UTV ordinance. Signs have been installed per state statute and all town roads are open to ATV/UTV use. Operators must be at least 16 years of age and possess a valid operator's license. ATV/UTV's must ride single file on the far right-hand side of the pavement and observe posted speed limits. Operation of ATV/UTV's is prohibited between 10:00 PM and 5:00 AM. Dane County prohibits their operation on County N and County B between Hy. N and Hy. 51.

If you are a walker/runner on our town roads **PLEASE DO SO AGAINST THE TRAFFIC FOR YOUR SAFETY**. Avoid being hit from behind by a distracted driver.

In 2024 as we completed the reconstruction of Skaalen Rd. from Pleasant Hill Rd. to County N we discovered a portion of the road that was annexed into the city of Stoughton in 2011. Stoughton has chosen to annex not only the private property but also a portion of the entire road in several places in Pleasant Springs. Our expense to rebuild the portion of Skaalen Rd. that is in the city was over \$30,000. In December we asked the city for a highway maintenance agreement. We have been maintaining parts of Skaalen Rd., Skyline Drive, Skyline Lane, and Williams Dr. that the city owns, dating back to 2011. We plow the snow, repair the shoulder, fill cracks/potholes, and mow the roadside 3 times/year. In April the city sent their proposed agreement. It asks the town to maintain these roads and right-of-way's for the next 20 years at no cost to the city and if the town chooses to make repairs/improvements to the roads, the city may or may not choose to pay their fair share of the cost. Does this sound fair to you? We are underwhelmed by the city's generosity.

We continue to see Emmi-Roth trucks getting lost north of County B on Williams Drive. The city refuses to change the cheese plant address. We will continue the weight limits on residential roads from Williams Dr. as our means of keeping heavy trucks off our roads. We have also put weight limits on Pleasant Hill Rd., Tower Dr., and Skaalen Rd. in an attempt to keep heavy trucks off town roads during the Hy. 51 construction. We have asked the County Sheriff and the State Highway Patrol for more presence on these town roads.

The state legislature is currently working on the next state budget. Please take the time to contact them and ask for more shared revenue and more road aid for towns. Call senator Melissa Ratcliff, 608-266-9170 and representative Randy Udell, 608-237-9147.

As promised, I will respond within 24 hours to your questions/concerns. My goal is to keep expenditures within budget while improving roads, infrastructure, parks and maintaining our rural character.

COMINGS AND GOINGS:

Thank you to Troy Wieser and Nick Pfundheller for serving on the Plan Commission. The time, effort, and contributions you both have put into the Plan Commission the past few years is appreciated!

RULES & REMINDERS ON SAFETY WHEN WALKING & BIKING FROM THE WI DOT:

Pedestrians must:

- Yield to drivers when crossing a road where there is no intersection or crosswalk or where the pedestrian does not have a green or walk signal and where vehicles have a green signal
- Not suddenly move into the path of a closely approaching vehicle that does not have sufficient time to yield for a pedestrian
- Walk on and along the left side (facing traffic) of a highway when not walking on a sidewalk. Note: This law does not apply to bicycles. [Bicycles operate under the same laws](#) as other legal vehicles on the road and should always stay on the right side of the road.
- Take extra care at night and at dusk. Walking at night increases your chances of death or injury. Drivers cannot avoid what they can't see. When walking at night, wear retro-reflective outdoor clothing, shoes, or lights to make yourself more visible. Avoid wearing dark clothing. Don't assume drivers can see you.

Bike Safety:

- Bicycles are considered vehicles on Wisconsin roadways and all types of vehicles need to share the road to keep everyone safe. Bicyclists must obey the rules of the road and must be treated as equal users by other vehicles. Bicycles are particularly vulnerable to injuries, but there are simple things bicyclists can do to greatly reduce their risk of crash, death or injury.
- Be visible – if you can't see the driver, they can't see you
- Be seen when stopped
- Obey traffic laws, signs, and signals
- Be aware of your surroundings
- Enhance visibility with proper lighting
- Wear a helmet

SECOND INSTALLMENT REAL ESTATE TAX PAYMENTS DUE JULY 31.

Real estate second installment tax payments are due on July 31. Please note that second installments must be sent to the **Dane County Treasurer, PO Box 1299, Madison, WI 53701-1299. Checks must be made payable to the Dane County Treasurer.** Payments cannot be accepted at Pleasant Springs Town office. Please refer to the address on your tax bill for the correct mailing address.

DOG LICENSES

If you have not licensed your dog by March 31st, a late fee of \$10.00 must be added to the normal license fee. Please remember that all dogs over the age of five months must be licensed each year, and fines for dogs running at large range between \$100 and \$400.

MEET YOUR TOWN BOARD MEMBERS!

Town Chair, Richard “Dick” Green

I grew up in Austintown, Ohio, graduated from high school in 1964. I came to Madison in 1968 after graduating from Ohio State University and was a graduate student in cancer research until 1971. I began a teaching career in Madison schools and spent the next 31 years teaching biology and chemistry. We moved to Pleasant Springs in 1978. My family created Pleasant Springs Orchard on Williams Drive. We grew fruit and vegetables for 42 years. We sold the orchard in 2020 and now reside on Brown Deer Road. I served on the town plan commission 1990-1995, and served on the town board 2003-2013 and 2019 to present.

Supervisor 1, Faith Schuck

I have lived in Pleasant Springs Township since May 1984. Kenneth and I have been married 53 yrs. We have 2 children, Eric and Emilie. We raised my half-sister, Charity Clark. We have 3 grandsons. We are expecting our 1st great grandchild in July. I enjoy Karaoke, train dominos, flower gardening, knitting and feeding the birds. This year, we have been enjoying Orioles, Goldfinch, Purple Finch, Woodpeckers, Tufted Titmouse, Rose Breasted Grosbeak, Sparrows and the occasional Turkey. This being a very Norwegian heritaage area. I am proud to have grown up in Sandwich, Illinois which is close to Norway, Illinois where my Great Grandmother (Anderson) Hartman was born. She was 100% Norwegian. So I claim my heritage to be Irish, German, Norwegian and English.

Supervisor 2, Eric Olson

Born and raised in Stoughton. Has been a Pleasant Springs resident since 2002.

Supervisor 3, Renee Gouaux

We purchased our farmstead on Williams Drive in 1992. I'm grateful to have raised our daughters in a place with so many resources---water, open spaces, family farms, parks and residential neighborhoods. As cross-country runners, our daughters ran many miles on township roads during high school, college and beyond. What will the township be like for future generations of children? My hope is to work collaboratively at the local level to plan a future that maintains the resources and quality of life we enjoy today.

Supervisor 4, Melanie Miller

Pleasant Springs resident since 1990. Retired Professor from University of Wisconsin-Extension. For 34 years I worked with various parts of the Wisconsin 4-H program. Currently I volunteer for Stoughton Health and am active with The Partners of Stoughton Hospital. Community service is very important to me. My hobbies include several kinds of fiber arts, painting and enjoying coffee with friends. Retired and enjoying it!

2024 AUDIT REPORT

Town of Pleasant Springs Presentation to the Town Board Board - March 18th, 2025

GENERAL FUND BALANCE			
Details of General Fund Balance			
	2024		2023
Reserved for environmental programs	\$ 216,293	\$	216,293
Reserved for ARPA program	9,854		286,855
Designated	1,132,921		914,521
Undesignated	-		-
Total General Fund Balance	\$ 1,359,068	\$	1,417,669
Analysis of General Fund Balance

Capital outlay	9,300		64,009
Debt service	315,243		310,219
Total	\$ 2,389,024	\$	2,340,512
Budget	\$ 2,233,726	\$	2,411,055
Net change in fund balance:	\$ (58,601)	\$	(287,051)
Budgeted change in fund balance:	\$ 41,074	\$	(393,493)

The information presented above is derived from the current and prior year financial statements.

OPEN BOOK / BOARD OF REVIEW

If you missed the in person Open Book which was held this year on May 14, 2025, you may still contact Accurate Appraisal, LLC and sign up for an appointment with Accurate Appraisal.

Residents may sign up for telephone open book from the moment the notice is received from the assessor up until 5 business days before the Board of Review. Please contact Accurate Appraisal prior to the Board of Review with any questions or concerns you may have regarding your assessment. An Assessor will then call the owner at the appointment time.

To schedule an appointment for Open Book, please contact Accurate Appraisal at (920) 749-8098 or log on www.accurateassessor.com and click the scheduling link. If you have any questions, please contact Accurate Appraisal at (920) 749-8098 or email info@accurateassessor.com.

Board of Review – Thursday, June 19 @ 5:30pm-7:30pm.

HOW ARE YOUR ASSESSMENT AND PROPERTY TAXES CALCULATED?

A Guide for Property Owners is available on the Wisconsin Department of Revenue's website at: <https://www.revenue.wi.gov/dor%20publications/pb060.pdf>. This publication discusses in detail the process from the assessment cycle to how property taxes are calculated. Here is a quick look at the difference between an assessment and an appraisal:

Assessments

Assessments are determined based on sales within the taxing district, in the town, village, or city.

Assessors use previous years sales data.

Assessors compare annual market sales year-over-year.

Assessors set values based on the entire community to determine the values of all properties on a mass scale.

Assessments are regulated by the state of WI. The Department of Revenue requires each municipality to maintain assessments within 10% of market value.

vs.

Appraisals

Appraisals use comparable sales from similar properties usually going outside of the taxing district.

Appraisers use sales from past years as well as current year sales.

Appraisers use current market sales, month-to-month or day-to-day.

Appraiser hand pick comparable sales to help them determine the value of 1 property. Usually use 3 to 6 comparables.

Assessors are not regulated by the state of WI. Their values are used to help determine values to obtain loans, get values for a settlement, or get a line of credit.

USE COURTESY, PLEASE

Taking your dog for a walk in the park? Please remember that it is the law that dog owners pick up after their pets per local ordinance chapter 160-1(Q) and 160-7 (ref. Chapter 55-1).

Violations shall be deemed a public nuisance. Penalties may be issued according to Municipal Code Chapter 1. Dog waste should be disposed of properly and not thrown in a waterbody or other public areas. Please remember to keep your dogs on a leash or on your property.

TOWN OF PLEASANT SPRINGS BOAT LAUNCH

The first boat launch sticker is free of charge. A replacement sticker or additional sticker is \$10.00. If you sell your vehicle or replace your windshield, you can peel off the previous sticker or at least a portion of it and bring to the Town Hall, you will be issued another sticker free of charge, otherwise, it's \$10.00.

The Boat Launch is located at 2267 Williams Point Drive. You will need to have your sticker on your vehicle windshield to utilize the Boat Launch, otherwise, if you don't have a sticker, there are daily permits located at the Boat Launch for a \$5.00 daily permit fee. The Boat Launch is monitored frequently, so please make sure you have your sticker placed on your windshield or a daily permit, otherwise you may most likely get a citation. ***We can only accept exact cash or check payments. Sorry for any inconvenience.

TOWN OF PLEASANT SPRINGS YARD WASTE SITE

A new sticker must be purchased each year. **The Boat Launch sticker can no longer be used as the Yard Waste sticker.** You must have a sticker to use the Yard Waste Site, and you must be a resident!! The Yard waste site is located behind the Town Hall at 2354 County Hwy N., Stoughton WI. Cameras have been installed at the site to help monitor the hours and usage of the Yard Waste Site, to include vehicles without the sticker located on their windshield. ***We can only accept exact cash or check payments. Sorry for any inconvenience. Yard Waste Site Hours: **OPEN - Thursdays, Saturdays, and Sundays from 9:00am – 7:00pm**
CLOSED HOLIDAYS

****BRUSH IS LIMITED TO 3" DIAMETER!! **NO CONTRACTOR DUMPING!!**

If yard waste is brought to the site in bags or containers of any type, please take those with you and do not leave them at the site.

CLEAN SWEEP WISCONSIN

Dane County offers a place to bring hazardous household materials such as TV's, paints, poisons, oil, and rechargeable batteries. They are located at 7020 Maahic Way, Madison, WI 53718 Across from Yahara Hills Golf Course. Landfill Phone: (608) 838-9555. Clean Sweep Phone: (608) 838-3212

Open Year Round

Monday - Friday: 7:00 a.m. - 2:45 p.m. Saturday: 8:00 a.m. - 10:45 a.m.

Closed Sundays and Holidays

For more information visit: [Clean Sweep | Dane County Waste & Renewables \(countyofdane.com\)](http://CleanSweep|DaneCountyWaste&Renewables(countyofdane.com))

SUMMER ROAD PROJECTS FOR 2025

Potential roads for paving:

- Red Oak Neighborhood
- Bell View Rd
- Erickson St
- Rinden Rd
- Asleson Rd
- Kong Rd

Potential roads for Sealcoating/Crack filling:

- Spring Rd. to Hwy B
- Portion of Koshkonong Rd.
- Center Ave.

NOTICE: The road projects listed here are subject to change due to weather conditions damaging roads. **Other Public Works Information:** The town does not pick up leaves or other brush. Please do not pile brush or other items in the right-of-way.

Please contact the Public Works crew for more information at (608) 205-9169.

MOVE OVER AND SLOW DOWN...Road Construction Work Zone Safety Tips

- **Pay Attention.** Construction Zones contain many hazards such as uneven pavement, narrow lanes, heavy equipment, and loose gravel. Signs and construction zone flaggers save lives.
- **Slow down, even if you don't see anyone working.** Physical hazards such as traffic shifts or lane reductions may be present. Also, most crashes in the summer months are related to excessive speeds.
- **Stay Alert.** Dedicate your full attention to the roadway.
- **Watch for signs.** Remember, workers are just inches away from traffic.
- **Don't Tailgate!**
- **Expect the Unexpected.** Keep an eye out for workers and their equipment.
- **Be Patient.** Remember the construction zone crew members are working to improve your future ride.

Remember that construction zone crew members are someone's Mom, Dad, Grandma, Grandpa, Brother or Sister. Use caution and slow down. In Work Zones, Drive Like You Work Here.

DANE COUNTY BROADBAND TASKFORCE INFORMATION

Broadband expansion and coordination efforts are well underway in Dane County and Pleasant Springs. Namely, the BEAD (Broadband, Equity, Access, and Deployment) Program is slated to infuse approximately \$1 billion dollars of funding for statewide high-speed internet expansion in Wisconsin. Approximately 74 addresses in the Town of Pleasant Springs will receive service from this program. The [Public Service Commission of Wisconsin](#) is administering this funding for the State of Wisconsin and is currently working on allocating the funding to eligible entities. Also of note, residents may have noticed Charter Spectrum expanding their internet service in the Township recently. This expansion is a result of the RDOF (Rural Digital Opportunity Fund) Program, a federal subsidy. Charter Spectrum recently expanded service to approximately 724 addresses in the Town of Pleasant Springs via the RDOF Program.

For folks who are interested, the [Dane County Broadband Task Force](#) will meet on Wednesday, June 4th, 2025 and Wednesday, August 6th, 2025 at 9am. Meetings take place both in-person and virtually via Zoom. Meeting agendas, locations, and registration information will be posted on the County's [Legistar](#) webpage approximately 3 to 5 days in advance. For those seeking more information, please visit Dane County's dedicated [broadband](#) webpage. If folks have any further questions, comments, or concerns, please feel free to reach out to Dane County's Broadband Coordinator, Jaron McCallum, at McCallum.Jaron@danecounty.gov.

FIREWORKS ORDINANCE

The town would like to take the opportunity to remind residents of Chapter 103 of the Town of Pleasant Springs Ordinances relating to Fireworks. The use of fireworks, as defined in section 167.10(1) of the Wisconsin States Statutes, will require a Fireworks use permit.

Residents wishing to hold a fireworks display should stop by the Town Hall to obtain a firework's use permit application. A copy of the complete ordinance is available on the Town of Pleasant Springs website – www.pleasantsprings.org.

ATV/UTV USAGE

The Town Board adopted an ATV/UTV ordinance in 2025. Signs have been installed per state statute and all town roads are open to ATV/UTV use. Operators must be at least 16 years of age and possess a valid operator's license. ATV/UTV's must have proof of insurance and must ride single file on the far right-hand side of the pavement and observe posted speed limits. Operation of ATV/UTV's is prohibited between 10:00 PM and 5:00 AM. Dane County prohibits their operation on County N and County B between Hy. N and Hy. 51.

PIZZA BOXES ARE NOW RECYCLABLE

We are excited to announce that you can now place your **entire empty pizza box** in your curbside recycling cart or commercial recycling dumpster. All you need to do is remove any leftover food, plastic centerpieces, or extra tissue paper. Unlike before, a little leftover cheese and grease is now OK! That's because we've chosen to work with Midwest paper mills that employ technology to clean typical levels of grease and cheese residue, so it no longer impacts the recyclability of pizza boxes. So, go ahead and put your pizza box in your recycling bin! – *A message from Pellitteri*

BUILDING PERMIT INFORMATION

Spring is in the air, and that typically means many residents will be starting construction projects for home improvements, renovations, etc.

For questions about projects that may or may not require permits, to schedule an inspection, or for more information such as pre-construction, please contact the Town's Building Inspector, Steve Kittelson.

A building permit must be obtained from the Town Building Inspector prior to commencing any of the following work:

**To obtain a building permit,
please contact the Building
Inspector at:
(608) 445-9715**

- (1) All new buildings-construction including, but not limited to, residential dwellings, garages, agricultural buildings, and sheds over 120 square feet in area.
- (2) All building additions that increase the physical dimensions of an existing building, including, but not limited to, decks, porches and garages.
- (3) All alterations to the interior and/or exterior structure of an existing building including, but not limited to, kitchen remodeling, bath remodeling, remodeling an attic and/or basement for living space, window replacement, changes in exterior finish such as brick façade, clapboard or vinyl siding, and roof replacement and repair. No more than three layers of roofing shall be installed on any roof.
- (4) All alterations to the heating, electrical or plumbing systems of an existing structure.
- (5) Replacement of major building equipment, including furnaces and air conditioners. Water heater replacement shall require a permit if the plumbing, venting, electrical or gas supply system is altered.
- (6) Demolition of all existing structures. This includes all agricultural structures, such as silos, chicken houses, tobacco sheds, etc.

A **building permit application** can be found on our website at:

<http://pleasantsprings.org/buildingpermits.html>

More information can also be found in the Building Construction town ordinance (Chapter 70), which can be found on our website at <http://pleasantsprings.org/ordinance.html>

**Note: If a project requires a driveway access damage deposit and permit, NO BUILDING PERMIT WILL BE ISSUED until the proper damage deposit permit has been issued.*

DAMAGE DEPOSITS: Many projects may require obtaining a Driveway Access Damage Permit and deposit prior to issuance of building permits. For questions regarding driveway damage deposit permits, contact the Public Works department at (608) 205-9169.

If your driveway access is contiguous with a town road, a \$1,000 access damage deposit and permit must be obtained prior to commencing any of the following work:

- (1) Any construction, demolition, or landscaping (with the exception of roofing projects) that requires material and/or equipment weighing twelve or more tons (24,000 lbs.) including delivery vehicle weight.
- (2) All debris dumpsters that weigh and/or require equipment weighing twelve or more tons (24,000 lbs.) including delivery weight. No dumpster shall be placed on public property.

If your landscape/Remodel project requires equipment that weighs less than 24,000 lbs. a permit with a \$50.00 non-refundable deposit is required.

FRIENDS OF YAHARA BAY

Are you aware the City of Stoughton has proposed removing the Fourth Street dam to develop a whitewater rafting park? This may significantly impact water levels and wildlife in the river and bay. Information is posted to the town's website at www.pleasantsprings.org under Community, click on Yahara Waterway, or see **Friends of Yahara Bay** on **Facebook** for info.

NOXIOUS AND INVASIVE WEED CONTROL

In order to prevent the control of noxious and invasive species, state statute requires that every landowner must destroy all noxious weeds on all lands he owns, occupies or controls. The term

“noxious weeds” includes Canada thistle, leafy spurge and field bindweed. If a landowner fails to comply, the town can order the weeds destroyed and the landowner is responsible to repay all costs associated with the work. The Town Board appreciates your responsible compliance and cooperation.

The Town also requests residents consider keeping all weeds trimmed and mowed. While state statutes only require those weeds defined as noxious weeds to be destroyed, there are a lot of other weeds that cause great discomfort for residents with allergies. Please consider being a good neighbor and keep your weeds trimmed for the enrichment and well-being of all residents in the Township.

OPEN BURNING GUIDELINES

Always check the fire conditions before you burn. You can check the current fire conditions, wildlife reports, and burning restrictions on the DNR’s website:

<https://apps.dnr.wi.gov/wisburn/#/BurnRestrictions>

- Call the appropriate fire department non-emergency number and inform them of the details for your burn. If you are unsure of the correct fire department, you may contact the office staff at 608-873-3063.
- Do not burn during windy or overly dry conditions
- Fires must be extinguished within one half hour of sunset. Any smoldering material counts as a burning fire.
- Keep the burning pile small-under 4 x 4 ft.
- You may burn yard waste and clean, untreated wood from a single family or household on your property where it is generated, you may not burn for others, neighbors, etc.
- Never leave the fire until it is completely out-never leaving a fire unattended
- Fire Department Contact Numbers:
 - Stoughton Fire Department – (608) 873-7218
 - McFarland Fire Department – (608) 838-3278
 - Cottage Grove Fire Department – (608) 839-4343

Dane County Sheriff: Lock Your Car Doors, Take Valuables with You

Finally, the weather is starting to get nicer! Sadly, this is the time of year too when the Dane County Sheriff’s Office receives an uptick in reports for thefts from vehicles. This can be easily prevented in most cases. Theft is a crime of opportunity that can be reduced through awareness and prevention. In most cases, suspects are not breaking car windows to gain entry if doors are locked, unless maybe valuable items are left in plain sight. Here are some vehicle and home safety tips to follow to help reduce the likelihood of becoming a victim.

- Lock your car doors, keep valuables out of sight, or better yet take them inside with you.
- Do not leave your vehicle running while unattended or unlocked.
- Keep exterior residence lights on at night to light up your property.
- Lock all doors and windows to residence. Also, important to lock entry door from garage to inside as well.
- Invest in exterior cameras that capture numerous angles of your property in the event something happens law enforcement will have a higher success of identifying suspect(s).
- Be an observant and aware neighbor. Look out for one another and report suspicious activity.

If you see something say something. Be observant and aware of our surroundings and what is happening in your neighborhood. If something doesn’t look right it probably isn’t. Report to your local law

enforcement agencies any suspicious activity. Be a good witness by gathering make, model, color, and most importantly, a license plate for the suspicious vehicle. Also, a clothing description, height, weight, and race of the suspected person are also important to gather for law enforcement to go off of. Here are the numbers below to report criminal activity.

Emergency: 911 Dane County Non-Emergency: (608) 255-2345

Dane County Sheriff's Office
Community Deputy Zach Barton
Southeast Precinct
Barton.zachary@danesheriff.com

THANK YOU!

We would like to thank all of our Election Inspectors for their hard work and dedication. We appreciate all that you do to help elections run smoothly for the Town of Pleasant Springs!

Thank you to all of the members serving on the Subcommittee for the Comprehensive Plan Update. The time, effort, and contributions you have all put in, is very appreciated! Thank you for your commitment and service.

TOWN MEETINGS

The Town Board Meets every 1st and 3rd Tuesday of every month at 6:00 P.M.

There are additional meetings during budget preparation time and certain times when a special meeting must be held. The Board's primary function is to provide legislation, policy and decision making for the Township, as well as set the annual budget and determine the yearly tax levy. Town Residents are encouraged to attend Town Board Meetings regularly to keep up on the events and happenings of the Town.

Meeting agendas are posted to the town's website at: www.tn.pleasantsprings.wi.gov, under the Town Board and Meetings page, and also on the posting board outside of the Town Hall. If you are interested in placing an item on the agenda for consideration, please contact the Town Clerk/Treasurer's office at (608) 873-3063, or via email at clerktreasurer@tn.pleasantsprings.wi.gov.

The Plan Commission meets the second Wednesday of the month at 6:00 P.M.

Plan Commission agendas are also posted to the town's website at: www.tn.pleasantsprings.wi.gov, and on the posting board outside of the Town Hall. *Please note: Due to certain circumstances, meetings may be cancelled and / or rescheduled to another date other than the regularly scheduled meeting.

Area Guides and information for Senior Services – are available at the Town Hall and posted to the website. You may also contact Stoughton Senior Center at (608) 873-8585 to check out the newest additions of their FREE directory of services available to older adults in the Stoughton community. The guide may be picked up at the Senior Center or viewed under Community Resources on their website at <https://stoughtonseniorcenter.com/>. McFarland Senior Outreach may be contacted at (608) 838-7117.
